

New White Rock United Church, the result of two years of planning, stands on splendid view site in hilltop area. It will be officially dedicated on Sunday, February 16, and takes

the place of the old church which was dedicated in 1922 and was last used for services on February 9, 1958.

—Garner's Studio.

## New United Church Opening Marks Historic Moment

Another milestone in the history of the new City of White Rock will be passed on Sunday, Feb. 16th, with the official dedication of the new First United Church.

The event will mark the completion of plans started more than two years ago when a move was instituted to raise funds for church expansion. At that time it was felt that the church premises currently occupied were becoming too small for the regular congregation and especially the Sunday School.

After a great deal of discussion a fund-raising campaign was instituted which netted some \$38,000 in pledges over the ensuing three years and enabled the expansion committee to start looking in earnest for a site.

A piece of land was finally acquired at the corner of Buena Vista and E Streets which was of ample size for a church, a religious educational centre and a manse.

TO SEAT 500  
In the spring of 1957 a building committee was set up and an architect hired who was

commissioned to draw up plans and specifications for a church to seat approximately 500 people and provide accommodation for the Sunday school, the minister's study and a ladies' lounge.

The architect completed the working drawings to the satisfaction of the building committee and financing was arranged in June.

The actual start on excavation was made early in July.

The building was constructed by local labor under the supervision of a foreman and a special sub-committee of the building committee acted as contractors. A considerable amount of volunteer labor helped to reduce the ratio of labor to material quite considerably and it is estimated reduced the price of the finished church by possibly \$30,000. Several volunteers actually gave full time for six or seven months, a con-

## White Rock - Surrey Arbitrator Named

A Vancouver chartered accountant, J. B. Ewing, has been named chairman of the board of arbitration for division of assets between the City of White Rock and the District of Surrey. It was announced today by city hall officials.

Various factors have contributed to delay in allocating assets such as equipment, property, fire department, sewers, airport and park sites officials said.

Chief among these is the lengthy process of appraising property. It is expected that sittings of the board will commence soon.

Other members of the arbitration board are R. M. Grauer of Ladner for the City of White Rock and M. L. MacDonald of Langley for Surrey.

tribution matched by very few. Completed for occupancy next week with the exception of the final cost of stucco the main church building will seat 400 people on the ground floor, 80 people in the balcony and makes provision for a choir of 40 voices.

A special feature of the main floor is a soundproof room (Continued on Page 12)

## McLennan Chosen by Tories; Stewart Carries Liberal Banner, March 31

W. A. (Bill) McLennan, well-known Fraser Valley lumberman, will carry the Progressive Conservative banner for the New Westminster riding in the federal election on March 31.

Mr. McLennan won the nomination at the Conservative's convention held Tuesday in the community centre, Cloverdale.

The prominent Fort Langley lumberman and Surrey farmer won the nomination on the first ballot cast at the convention. Unsuccessful attempt for the nomination were made by Surrey councillor Ted Kuhn, who ran under Tory colors in the last election but was defeated; Ian Paton, 30-year-old Ladner feed supervisor, and Dr. D. F. Kidd, executive vice-president of the Overwaitea Ltd. Dr. Kidd resides in Vancouver.

STEWART FOR LIBERAL  
Another Surrey councillor, H. Alex Stewart, has won the Liberal nomination for the New Westminster constituency.

Mr. Stewart won the nomination by two votes at the Liberals' convention last Wednesday at East Delta Hall.

The councillor polled 43 votes from the 100 voting delegates to the convention compared to 46 by Arthur Brown. Six ballots were spoiled.

Liberal organizer Allister Fraser and Senator Tom Reid.

Political parties throughout the riding are gearing up in preparation for the election which is slated as a battle for power between the Tories and Liberals.

## Haida Chief Rev. Peter Kelly To Dedicate New W.R. Church

Rev. Peter Kelly, D.D., will preach the dedication service of the new First United Church here on Sunday, Feb. 16, at 3 p.m.

The son of a native princess on Queen Charlotte Islands, Rev. Kelly is a Haida Chief who now lives in Nanaimo. Last spring he was elected president of the United Church Conference, the first native Canadian to receive that honor.

Educated at Coqualeetza Indian Residential School in Sardis, and at Columbian College, New Westminster, Dr. Kelly entered the ministry of the then Methodist Church and served in various charges including Bella Coola.

In 1931 he was asked by the United Church to become coastal missionary in charge of the famous mission boat, the Thomas Crosby. He went back to school again and secured his "Sea Captain" diploma and for sixteen years he and his wife travelled the coastal waters ministering to isolated villages and lonely lighthouse keepers and their families.

Honors have been heaped upon the Rev. Peter Kelly but they have all left him the same essentially modest man. He has been called to London to see the reigning sovereign regarding the affairs of his own people. He has been approached by political parties to stand for election to Victoria or Ottawa. All such offers as the latter he has declined because he feels that his call is to preach the Gospel.

He has also led the battle for combating TB among the native people and consistently opposed segregation in worship in Canadian churches.

## One Hour Parking Plan Made By Traffic Committee

One hour parking on the north side of Washington Avenue between Foster and Elm may soon be enforced by city council.

Police and traffic committee made this recommendation on Tuesday night after Council received a petition from merchants protesting installation of meters in the city.

Some 30 owners and 59 occupants in White Rock signed the petition after Council authorized the Duncan Parking Meter Company to hold a survey here. The restricted parking recommendation could be adopted at Tuesday's council meeting.

The committee recommended that the loading zone and bus zone on Washington west of Martin be reversed following a complaint by Miss Doris Hanslow of Fashion Centre regarding in front of her store to line large trucks stopping in the unload.

Council agreed last week to allow for a 25-foot extension west of the loading zone to permit for a 25-foot bus stop east

of the zone.

The committee also suggested that \$200 be spent on the erection and installation of traffic signs in the city after public works superintendent Bob Howse estimated the cost of signs and marking of bus stops at \$430.01.

Council decided earlier to spend \$300 on this project but the committee recommended withholding \$100 for traffic emergencies.

## Delay In Arbitration Causes Council Concern

Delay in arbitration proceedings between White Rock and Surrey is causing city council considerable concern.

Finance and personnel committee recommended Tuesday that Mayor W. (Bill) Hodgson and City Solicitor Lorne Jackson be authorized to personally contact H. Skelding, White Rock's representative in the arbitration proceedings, in this regard.

Purpose of the meeting will be to ascertain exactly what Skelding has accomplished on arbitration during the past nine and one-half months.

Mr. Jackson told Council he felt the entire arbitration matter was now most urgent. He said it was imperative the proceedings be settled before the council can draw up their 1958 budget.

Mayor Hodgson and Mr. Jackson will attempt to obtain an interim report from Mr. Skelding for presentation at the next council meeting.

## Hook Up To Sewer Householders Told

Householders in the sewer area who have not yet hooked up to the sewer system will be asked to do so immediately, the Council was told Tuesday.

City Clerk John L. Jones informed members that a list of those residents not yet on the system had been obtained and letters are now being sent out asking owners to give this matter their immediate attention.

Ald. William Offer prepared a brief for council on the sewer situation in White Rock and said he would continue the hook-up survey.

Council decided in January to put the sewer system on a paying basis and authorized city officials to take necessary action to assure that all property in the area is connected to the sewer.

## White Rock, Surrey Teachers Claim Arbitration Forced On Them

Charges that arbitration proceedings were "forced on us" have been made by Hal Sinclair, chairman of the salary committee for White Rock and Surrey Teachers Association. The charge was made following the arbitration board's award of a 7.9 per cent pay increase in teachers' salaries. The teachers are asking for an 11 per cent increase.

"Approximately 400 teachers are dissatisfied with the arbitration award handed down on Monday," Mr. Sinclair said.

An emergency meeting of the White Rock and Surrey teachers was held Wednesday at Princess Margaret high school to consider what action will now be taken by the body.

"Teachers in districts that have settled wage differences received increases from 11 to 15 per cent but White Rock and Surrey teachers who only asked for a 11 per cent increase, re-

ceive a 7.9 increase," the salary chairman said.

TO SEAT 500  
"We wish the public to know (1) arbitration was forced upon us (2) the award is the lowest in the Fraser Valley and (3) among the lowest awarded in B.C.," Mr. Sinclair stated.

"As a result of this award, the teachers are concerned about the teachers supply in this district next year," he added.

The Executive of the Asso-

ciation recommended Wednesday to its general membership that a \$10,000 emergency fund be established. The teachers would each be assessed \$5 a month for the next five months.

PURPOSE OF THE FUND  
Purpose of the fund would be to fight for (1) a better solution to the problem; and (2) better working conditions for the teachers (3) better promotion policies and (4) make known to the public through press and radio the teachers' position in this whole matter.

In protecting their stand on the wage dispute, school board trustees claim that the Association's view of negotiations is unconditional acceptance of teachers' demands.

## Aurora Borealis "Show" Magnificent

Most spectacular northern lights ever seen by many residents glowed in northern skies and spread over the upper zenith on Monday night.

In some areas the aurora was a deep rose color and in others wavy lights of pale green streaked the sky.

Intense atmospheric electrical disturbances accompanying the display disrupted long-distance TV and radio networks.

A faint pinkish glow in the northern skies was still visible on Tuesday morning as late as 7 a.m.

An old-fashioned melodrama complete with vaudeville turns, community singing, and a chance for the audience to join in the fun of the show by hissing the villain and applauding the hero, will be Langley St. Andrew's Players' contribution to the district's centennial celebrations.

"Only an Orphan Girl," a soul-stirring drama of human trials and tribulations, will be produced by the drama club in the Anglican Church Hall February 21, 22 and 24. Director is Freda Butcher of White Rock.

Purpose of the production is to show audiences the type of entertainment enjoyed by our early pioneers and perhaps to provide some of the laughter for the big birthday celebration.

Members of the club whether participating in the melodrama, taking part in the turns, or selling tickets will be in 19th century costume. The momentous task of designing and making these costumes has been undertaken by Freda Butcher, of White Rock, who is also director of the show. Some of the over two-dozen costumes made by Mrs. Butcher will be on display next week in Duckworth's window, Langley.

Cast in the old-fashioned play

### Players Club To Hold Annual Meeting

White Rock Players Club will hold their annual meeting and election of officers at the Little Theatre on Thursday, Feb. 20 at 8:30 p.m.

Unless otherwise notified, the meeting following the annual meeting will be held on Friday, March 28.

### Colebrook VON Plan Centennial Garden Tea

The regular monthly meeting of the Colebrook V.O.N. Auxiliary was held at the home of Mrs. J. Fletcher. As this was the first meeting with a new slate of officers, president Mrs. J. Dingwall presented two projects for the approval of members.

A Centennial garden tea to be held on July 4th at the home of Mrs. J. Fletcher, and a cooking demonstration early in October.

Plans were further advanced for the smorgasbord which will take place late in April. Conveners are Mrs. J. Dingwall and Mrs. E. Stull.

Following the meeting refreshments were served by the co-hostesses Miss Amy Barker, Mrs. A. E. Owen and Mrs. J. Dingwall, and Mrs. Fletcher showed pictures of her recent trip to Europe.

The sympathy of all the neighbors is extended to Mr. and Mrs. Milne in the sudden passing of Mr. Milne's sister.

Mrs. A. Jarvis is a patient in St. Mary's Hospital. Best wishes are sent for a speedy recovery.

The February meeting of the Women's Association to Colebrook United Church will be held on Tuesday the 18th in the church hall at 8 p.m. Co-hostesses will be Mrs. Rothnie, Mrs. A. E. Owen and Mrs. J. Perry.

### Surrey Student KVOS Panel Winner

Grade 11 Princess Margaret High School student, Anne Maki, recent participant in the KVOS-TV news panel "Round the World Press Conference" has received notification of her choice as one of the best panelists.

Her nomination entitles her to attend eliminations next summer. The winner of the contest will be rewarded with a trip around the world, by air-line, with all expenses paid.

Anne achieved her success in the February 1st program featuring Beryl Lie, a student from Venezuela now attending U.B.C.

### Local Scout Groups Entertain Prov. Com.

Ken Jordan, provincial executive commissioner, will be the guest of honor at a meeting of the South Surrey District of the Boy Scouts Association in the Silver Moon banquet hall Monday, Feb. 17, it has been announced.

A dinner has been arranged for Commissioner Jordan and the South Surrey Executive Committee, consisting of President Jim Shaw, District Commissioner Max Green, vice-president Dr. Bill Paterson, secretary Cecil Berry, ten elected directors, and the chairmen of all group committees in the district.

Following the dinner, beginning at 7 p.m., the meeting will be open to group committeemen, scouts, friends of scouting, parents of scouts and cubs, and the public at large. Scouts from all South Surrey District groups: First White Rock, Second White Rock, Third White Rock, Sunnyside, Crescent Park and Hazlemere will be present in uniform.

"Visits by such busy members of the association to any district are necessarily rare" a representative said today.

"The executive committee feels that South Surrey is honored by this visit, and has expressed the hope that everyone interested in scouting in this area will take the opportunity to meet and to hear this outstanding scouter."

### Sunnyside Man Fractures Leg

Carl Morrison of Stokes' Road was hospitalized following an accident at work.

While painting the gas station at Johnston and Thrift he had the misfortune to fall from the ladder and fracture his leg.

The Sunnyside Parent Teachers' Association will hold their meeting at Sunnyside school on Wednesday, Feb. 19, at 8 p.m.

# CRISIS in White Rock and Surrey SCHOOLS

1. The teachers insist on the right of collective bargaining.
2. In the teachers' opinion the School Board has made a mockery of negotiations.
3. The School Board is evading its responsibility of negotiating a salary settlement by resorting to compulsory arbitration.

4. The basic issue is this...  
TEACHERS ARE BEING DENIED THE  
RIGHT TAKEN FOR GRANTED BY ALL  
CITIZENS IN A DEMOCRACY... THE  
RIGHT OF COLLECTIVE BARGAINING.

## SURREY AND WHITE ROCK TEACHERS ASSOCIATION

# "The Mikado" Goes Before Footlights February 26th

One of last year's most popular events in the entertainment field, the White Rock Choral Society's concert performance of "The Mikado" will be repeated on Wednesday, Feb. 26, at 8 p.m. in Semiahmoo High School auditorium.

In colorful costume, the performance will feature soloists Myra Cooper, Jean Heron, soprano; Richard Ostendorf, tenor; Isobel Splitt and Winnifred Robinson, contraltos, Albert Mansfield and Robert Robinson, baritones, and Fred Fenner, bass.

Garrie B. Splitt will again conduct and Geraldine Fraser will be accompanist.

Changes from last year's cast include the role of Yum-Yum which will be taken by Myra Cooper and Peep-Bo which will be sung by Jean Heron of Newton. The tenor role of Nanki-poo will again be sung by Richard Ostendorf.

This performance will be the sixth for the hard-working choral group who have presented Finley Lyon's "The Great Light" five times since their first presentation. Performances took place in White Rock, Crescent Beach and New Westminster.

At present the group are also practicing another Gilbert and Sullivan favorite, "The Pirates of Penzance" which is scheduled to be produced in New Westminster and White Rock in April.

"There is still time for new members to join in order to sing in this spring presentation," said conductor Splitt.

"We are especially in need of male voices. All that is required in order to become a member is a love of singing, a determination to attend practices regularly and some knowledge of reading music."

Anyone interested in joining can contact the conductor or a member of the Choral Society.

## Veteran Honored By Queen Mother

Eighty-eight year old George Sangster, who resides on Sunnyside Road, had the honor recently of receiving a letter from Her Majesty, the Queen Mother, written during her Vancouver visit.

Mr. Sangster will soon celebrate another birthday. He was born in Aberdeenshire and when a young man played tennis at her Majesty's home, Glamis Castle.

In her letter the Queen Mother said she "was delighted to greet a fellow-countryman who knew Glamis in the old days."

## CRESCENT NEWS

Sympathy of the community is to Mr. Emil Asbeck on the death of his wife in hospital on Friday Feb. 1.

Her many friends will be sorry to hear Mrs. Tom Campbell is ill and is confined to bed at home. She is to have complete rest for several weeks.

Mr. and Mrs. A. L. Dryden have returned from a holiday spent in Eastern Canada.

Mrs. Eva Jacobs, a popular member of Mrs. L. L. Adams' staff, has been called to Edmonton by her father's illness.

Mr. and Mrs. W. Johnson have sold their home on Tull-och Road and are now living on the beach.

The Group Committee to the Crescent Beach Guides and Brownies met at the home of Mrs. Jack Morrison, Sunnyside Road recently. The president, Mr. Stella Hamilton was in the chair. Plans for the annual Valentine tea to be held in the firehall on Saturday, Feb. 15, were discussed.

A warm welcome is extended to Mr. and Mrs. McHugh who have moved into the Cliff Adams' home on Crescent Drive. They formerly lived on Marine Drive, White Rock.

A short bloused jacket, belted in black velvet over an intricately pleated dress of white "Terylene" was designed by Bianca Gusmaroli for the spring collection of the Canadian Association of Couturier. With jacket removed, the low-cut bodice has a free back panel of fine pleating.

## Reading Club

The Library Reading Club continues in popularity this year with many excellent books reviewed by its members.

Recent reviews which were much enjoyed were "No Passing Glory," Andrew Boyle's fascinating biography of Group Captain Leonard Cheshire, one of England's most famous airmen. Cheshire took part in the bombing of Nagasaki and since that fatal day has devoted his life to establishing model communities for airmen broken in health. His own health gave way and he spent some time in Nelson, B.C., and in Shaughnessy Military Hospital. Latest reports tell of his work for humanity in India.

Mrs. M. Linke gave the review which was followed by Mrs. Wyborn's talk on "Hangman's Cliff" a suspense drama on the lines of "Rebecca."

## W. W. Wood To Head March Red Cross Drive

The local annual Red Cross which opens in March will once again be headed by W. W. Wood, Buena Vista Ave.

Mr. Wood was re-elected at the annual meeting. Quota for White Rock this year is \$2600.

Preliminary plans for the 1958 drive for funds were laid at a meeting held in Provincial headquarters, Vancouver, last Friday, which Mr. Wood attended.

Judge Sullivan of Crescent Beach is Red Cross General Secretary for the province. He succeeds Major Swan who recently retired.

## Ocean Park Couple's Granddaughter Is Christened

A christening of much interest to Ocean Park took place in Shaughnessy United Church, Vancouver, Sunday, Jan. 26, when the first granddaughter of Dr. and Mrs. J. Kerster, Marine Drive, was given the name of Jean Kathleen.

Rev. A. Badger officiated at the baptismal ceremony for the seven-month-old daughter of Dr. and Mrs. G. G. Kerster, of Vancouver.

A family luncheon followed at the home of the wee principal's parents.

## On the Home Front RECIPE OF THE WEEK

Want a really hearty and delicious first course for a buffet supper or any kind of informal entertaining where appetites are keen and flavor is appreciated? Then I highly recommend this spaghetti and meat mixture, the recipe for which was given to me by a friend. I have been fortunate to enjoy this dish at her home more than once so can vouch for its goodness.

16 oz. pkg. spaghetti  
1 1/2 lbs. minced round steak  
3 tins tomato soup  
1 onion

1-3 lb. mild or strong cheese  
Salt, pepper and garlic salt if desired, to taste

While spaghetti is boiling, chop the onion and fry slowly. Add the minced round steak. Cook for about 10 mins. Add a little water and let simmer for about 20 minutes.

Drain the spaghetti and pour into a large pot or small roasting pan, add the meat mixture, 2 tins of tomato soup and 2 tins of water, plus the cheese cut up in small pieces. Let the whole mixture simmer for 1 1/2 hours, then add the third tin of soup with only half a tin of water and simmer for 1/2 hour longer. Salt and pepper to taste.

Serve with a green salad and hot rolls.  
—Lorraine Duprez, North Bluff.

## Stage Driver Wins Safety Council Button

Pacific Stage Lines driver James W. Robertson, who lives at 1701 156A Street, has won a National Safety Council button for a long term, safe driving record. Mr. Robertson's award covers eight years without an accident.

Mr. Robertson who worked for Consolidated Truck Lines for three years before driving for PSL, served in the Canadian Army overseas for six years, receiving his discharge in 1945.

## St. Johns Ambulance Needs 500 Volunteers

St. John Ambulance Brigade will need 500 volunteer members to help cover the hundreds of Centennial events that will take place in this province during 1958.

Recruiting of Brigade volunteers began last week with six posts in the Lower Mainland and Vancouver Island prepared to accept applications.

Applicants, either men or women, between the ages of 17 and 50, will be given free training in either First Aid or Home Nursing, and will be awarded St. John certificates, upon successfully completing courses.

All members of the St. John Ambulance Brigade will take part in the Centennial celebrations, and be prepared to render First Aid to the sick or injured. Members will be supplied with uniforms, as well as transportation to and from events where they are on duty.

Application can be made either through local headquarters or by contacting Provincial Headquarters at 710 Davie St., Vancouver, phone MU 3-6021.

## Our Stamps Go Into Mourning

It is very difficult to understand the current craze being indulged in by the Post Office Department this year for postage stamps which seem to indicate Canada is in mourning.

In December a special stamp commemorating the opening of Parliament by Her Majesty, Queen Elizabeth, was issued. To the disappointment of thousands it was in funeral black and white.

Yesterday we saw the first example of the new stamp honoring Canada's press. Again it is a crowd-black effort, we cannot imagine why, unless the Postmaster General was entertaining the gloomiest thoughts in regard to the much-vaunted freedom of our newspapers.

Now word has come that another new stamp will be issued this coming March to mark the International Geophysical Year. This is a most important period for the eighteen months from July 1, 1957, when thousands of scientists throughout the world will continue to work to increase human knowledge of the universe. Canada is playing a very important part in this stepped-up program on the international level.

Other stamps to be issued this year are: a centennial one for B.C.'s one hundredth anniversary; the celebration of the fiftieth anniversary of the founding, by Champlain, of the community which became the city of Quebec.

Surely we can have something more cheerful to commemorate these auspicious occasions in Canadian history than the funeral-looking numbers already going the rounds on our mail.

## BEING A GROWN-UP DRIVER ISN'T EASY!

Being a grown-up driver is a difficult art. It takes character and alertness, decency and good judgment.

For there is one fool on every road, a deadly menace to you and your children. And there are good people, good drivers, who are foolish for one impulsive moment. For the possible gain of a few seconds they will bet their lives on a highway version of Russian roulette.

There are wonderful compensations for being a grown-up driver. You never get ulcers. Your fenders still have the fresh curve that came from the factory. Your insurance man is your friend. And motoring is still a great pleasure.—"From The Commercial Travellers' Association of Canada."

## Trade With Japan

After one of the most prosperous periods in her history, Japan is putting on the brakes in the home economy.

But the outlook for Canadian exports to Japan remains bright, says The Financial Post. The reason: Japan needs our wheat and raw material.

By the same token, Japan will continue its pressure for export sales. It must earn the dollars for essential imports.

At \$128 million, Japan was Canada's fourth best customer in 1956. (The other three: U.S. \$2,819 million; U.K. \$813 million; West Germany \$142 million).

In the same year, we bought \$60.8 million from Japan, our fifteenth largest supplier. (We also bought: From U.S. \$4,167 million; from U.K. \$485 million; from Venezuela \$208 million; from West Germany \$89 million).

## Flashbacks Of The Past

## BREAKWATER.

February, 1946.

Councillor Guy Graham and a three-man delegation called upon Mr. Tom Reid, the Federal Member, and urged that the Dominion Government give consideration to the plans that a breakwater be constructed here.

February, 1946.

White Rock Kinsmen Club announced a committee has been formed within the organization to study plans to sponsor a breakwater here.

## BURGLAR ALARM.

February, 1947.

A hold-up alarm system, which has been devised by the Bank of Montreal in conjunction with a protective agency has been installed in the bank's local office.

## BICYCLES ON SIDEWALKS

Let the youngsters use the sidewalks for their bicycles, oh my gosh,

And make the old folks stay at home, ever hear such bosh.

Sure the older that we get, our activity is not so good. But clear the way for youngsters, some would do so if they could. Yes, the young bloods need protection, going to and from the schools,

But all who are getting on in years, are neither imbeciles or fools. Look at the way some youngsters use their bikes time after time. Headless, reckless, dangerous, be the weather rain or shine. But give them leave to use the sidewalks what guarantee do we get? That their behavior would improve, on that you would not bet. The older folk must use the streets, mostly for their shopping. And they cannot always see, from whence the bikes are popping. Now you could say why bother here, we've no sidewalk that's worth while

But don't forget you're now a City, in time you'll have them mile on mile.

W. F. McClintock.

NO HEARTS AND FLOWERS IN COMIC VALENTINES

## LETTERS TO THE EDITOR

14176 Wheatley Ave.,  
February 9, 1958.

Dear Editor:

Observation-wise and otherwise. Human interest stories are popular with some of the people all the time. Being in a reflective mood yesterday my mind cast about for something to latch onto and lit on the death notice of the late Thos. W. McBride, 14195 Wheatley Avenue, W. R. in his 81st year who left his wife, four sons, nine daughters, 27 grandchildren and two great grandchildren, no danger of the McBride name becoming extinct!

Mention of the McBride Wheatley Ave. property brings to light a "queer quirk" in the original survey of this property in that "14195" abuts on the rear of "14191" and only has a few feet with access to Wheatley. Unknowingly one could pass the land and never see the residence.

"Queer Quirk"—Why is the main street running through White Rock divided into three Marine Drive, Washington Ave. and Campbell River Road. Wouldn't it be simpler and less mystifying to our visitors to have only Marine Drive.

Re Centennial Silver Dollar: A morning paper reports a White Rock merchant refusing to accept this for groceries. This is incredible as no merchant hereabouts is unaware of this coin being "legal tender." Of course it's a souvenir but albeit one that is worth its face value.

"Beef" department: This writer saw and heard the "fur flying" frequently last season in the parking space west of the depot. When this great public convenience was opened the entrance was at the west end and exit east and designated by signs which were later demolished hence arrivals and departures were meeting head on in the centre—you can visualize the result!

This is a very valuable public service and could be made into a small revenue producer by the issuance of parking tickets punched by attendant at time of entering and amount collected on leaving.

Whether or not this is feasible large "ENTRANCE" and "EXIT" signs should be constructed even now to regulate the citizens' traffic which is confronted with the same situation on a smaller scale.

Yours for "law" and particularly "order."

—A. E. Reed.

14300 Sunset Drive,  
February 6, 1958.

Dear Editor:

While reading your paper (I liked the name Semiahmoo Sun best, it seemed more original to me). We look forward

to it on Thursdays and enjoy same. "Letter to a Death Driver" touched my heart and I felt I must write this.

Similar accidents, we know, are happening here and in other places. "Whose fault sometimes a question mark? Let us consider how we may help to stay off accidents. We live on Sunset Drive and can look down on Marine Drive where we see hundreds and hundreds of cars pass during the warmer seasons, especially Saturday, Sunday and holidays, many probably taking children to our lovely beach.

I know parking facilities are cramped at such times, but why allow cars to park from Semiahmoo cabins past Magdalen on the beach side of Marine Drive. Cars are parked bumper to bumper. Children returning from the beach must squeeze between these cars and are immediately faced with oncoming traffic, very often having to duck between cars, while cars pass coming and going.

I know this as I sometimes attend my own grandchildren from out of town who come to enjoy the beach.

Please let us look into this danger spot before some little life is taken. It may be your own.

Really concerned,  
JULIA DON.

19617 48th Ave., R.R.2,  
Langley, B.C., Feb. 6, 1958.

Dear Editor:

Being a firm believer in the old adage "Give credit where credit is due" it grieves me to hear that the White Rock and District Historical Association has been criticized for failure to produce the history of White Rock in printed form in time for the Centennial.

When one looks back at the history of the Association, you will find that this was not, and is not the prime reason for the formation of the Association as a Section of the B.C. Historical Association.

In the fall of 1955, 75 or 80 people, interested in the history of White Rock gathered at a meeting sponsored by the Board of Trade. On a motion of Mr. W. E. Johnson, one of the pioneers of the area, the Board voted to assist in the formation of the Association. It was at this meeting that some 30 people signified their interest to assist in the gathering of historic material and to participate in the functions of the Section, if and when, it was formed.

In these exceedingly busy times, some of us find that we just cannot do all of those things that we would wish to do and this in turn resulted in some eighteen historically minded people endeavoring to do a

job that would be hard work for twice their number. Considerable progress has been made and many interesting meetings have been held and the ground-work has been laid for the long and arduous task of procuring, verifying and recording the history of the district.

At the December meeting in 1955 the Section's policy with regard to the Centennial was to assist and cooperate with the B.C. Centennial Committee or any sub-committee set up within the area. It must be firmly understood that at no time did the Historical Association plan to take the part of the Centennial Committee.

It has always been firmly felt that the aims and objects of the Association were to gather and record the history of the past; to endeavor to record the happenings of today for the future and to promote an interest among the people of the district along these lines.

Let us be honest with ourselves, and try to realize the gigantic task these few interested people are endeavoring to accomplish. Each and every one of us should offer co-opera-

tion, assistance and constructive criticism, so that the romance and history of the area in which we live, shall be recorded for posterity.

JOHN BUCKLEY,  
Past Chairman, White Rock Branch, B.C. Historical Ass'n.

## This and That

## THE BLIND CHILD

When Pat my brother goes to school,  
And I'm alone all day,  
My daddy brings a little boy  
Who loves with me to play  
We see-saw high, we see-saw low,  
We're happy as can be,  
But when we both fall off the plank,  
The one that cries is—me.  
My chum is dressed in Pat's old suit,  
He has no flesh and bones.  
So when he falls it doesn't hurt,  
He's made of straw and stones.

White Rock. Jane Johnson.

## CLOSING OF NEW HAVEN,

B.C.'s home for young offenders, founded on the Borsal system of England, if it is carried out by the Provincial government will work irreparable harm in our society. Everyone interested in the salvaging of good human material should take pen in hand and write a letter to Victoria protesting such a move before it is too late.

HANEY CORRECTIONAL Institute may have superior vocational training facilities to those in use at New Haven but, as a stirring appeal from members of Borsal Alumni point out, the building of character is far more important in life than the acquiring of mechanical skill. The government's plan to transfer inmates of New Haven to huts near the Haney Correctional Institute so that they may have access to better facilities for vocational training, overlooks the finest features of the New Haven program. There are no armed guards at the latter home for offenders—there are also no bars and none of the atmosphere usually associated with gaols.

NOR WILL the move make for a saving of money. According to reliable reports it costs \$7.50 daily to keep a lad at New Haven and exactly the same amount at Haney. Yet the re-

sults of New Haven speak for themselves. About 80 per cent of the lads who have been brought under the program there are today leading good and useful lives. This is due to the small numbers, approximately 40 at a time, and the close personal association with staff members, as well as the whole philosophy of the system under which all Borsal-type institutions operate.

RECOVERY RATE at New Haven is estimated at 80 per cent. Oakalla's is between 30 and 35 per cent and the B.C. Penitentiary, 30. New Haven, since its inception 14 years ago, has averaged 40 recoveries out of 50 average inmates per year. This experience is unique on the North American continent. At least six of the present sponsors are themselves former New Haven graduates who are deeply appreciative of the Borsal training as it is now conducted. They are praying for the continuance of the "home away from home" which helped to put their own straying young feet on the right path.

IF ENOUGH PROTESTS go in to the government from everyone interested, church organizations, fraternal societies, service clubs, chambers of commerce, and many other groups, as well as from a multitude of individuals, it may be that New Haven can still be saved to go on with the work of rehabilitating the youthful wrong doers in our midst.

SO SEND in those protests, please, all who read this column, or any other article dealing with a problem so vital to our society today. Just address it to Borsal Alumni, 1796 West 4th Avenue, Vancouver 9, B.C.

MAYOR WM. (BILL) HODGSON formally installs STAN EVANS as 1958 President of the White Rock Board of Trade. The installation ceremonies took place in the Silver Moon.

#### OTTAWA NEWS LETTER

## Unemployment And The Two-Job Situation

The figures for unemployment have shown a continual rise to the point today where you find 790,000 who are out of work and seeking employment.

The Conservatives have blamed the Liberals for this condition, because they insist that they have inherited a legacy of unemployment. The Prime Minister has been critical of that administration for failing to take steps to prevent the situation from developing.

It is a recognized fact that this Government has taken certain steps which should be of help in alleviating this condition. However, the effectiveness of these steps has apparently been lost in the general economy of the country because our trade has slackened off to the degree that Canada today has a greater number of unemployed than at any time in her history.

There may be a reason for the increasing unemployment for which labor itself might be blamed, and that is the practice that has been carried on by individuals who insist on the 40-hour week or less; and having received this benefit now decide that they will accept another position and at a rate of pay less than that which might be acceptable to one who is very serious in need of work.

The question arises whether there is not a moral obligation—if no other—upon this individual who has two jobs, and is receiving a fair rate of pay from one. Should he not forego one of the two positions he now holds in order that some other individual who is unemployed and is looking for work might have the job?

The fact that civil servants, especially in Ottawa, are carrying on this practice quite widely was brought to this government's attention. The Minister of National Defence indicated his department did not intend interfering with any part-time working activities of its employees.

Mrs. Farclough, Secretary of State in answer to the same question is quoted in the Ottawa Journal — "It would be presumptuous of us to begin telling a civil servant what he must or must not do in his own leisure time; it would be outrageous interference with the private rights of the individual and we have no intention of attempting to run the private lives and spare-time activities of civil servants."

"Once start interfering and it might be extremely difficult to draw the line without discriminating. It conceivably could go to the ultimate, ridiculous extreme of forbidding civil

servants in their spare time to take such jobs as refereeing sports or participating in amateur theatricals. The wisest course is to not begin interfering in any way and that's the course we propose following."

"The Civil Service efficiency of course has a bearing on this. If a civil servant's off-hours job became such a burden as to interfere with his efficiency in his regular government employment his deputy or division head would have to step in."

There is no denying that in certain extenuating circumstances where civil servants and others do not receive a wage

that might be considered adequate to provide them with the necessities and certain luxuries of life, that those people have a certain right to accept additional employment.

However, where this condition does not exist and where the monies paid to the employee comes from the taxpayers, who in turn helps to keep the unemployed, is there not this moral obligation to be fair to the taxpayer? Until such a time as the unemployment condition improves, he might consider giving thought to allowing an unemployed man to get the job, and keep both properly alive; rather than keeping one in luxury by permitting him to take two jobs, and the other starve because he cannot get one.

Sincerely yours,  
G. HAHN.

## Around Town

### White Rock Travellers Enjoy Sunshine

Among the many residents of White Rock who after holidaying in the south have been lured back to British Columbia by the sunny and spring like weather here, are Colonel E. A. Pitman and Mrs. W. Whiting, Semiahmoo Avenue. They returned home recently from a six weeks stay in Arizona and Mexico. Having spent three months there in 1949, they found their visit was like going home. While in Arizona they were the guests of Mrs. Whiting's niece and her husband, Mr. and Mrs. Orahod. This was a very happy reunion as it was the first time Mrs. Whiting had seen her niece since 1933 when she left England to come to Canada. During their stay they had hot weather and no rain, say the travellers, and they picked all their own oranges, lemons and grapefruit from the garden. Homeward bound the Colonel and Mrs. Whiting stopped over at Las Vegas and Salt Lake City.

News of other travellers from White Rock tells of Mr. and Mrs. Gen Gibson, 13939 Marine Drive, who spent some time at Mesa, Arizona, and were among visitors attending a radio show and luncheon staged for Canadian winter holidayers. Mr. and Mrs. Eric Hammarstrom of White Rock also appeared on the radio program. "Luncheon in Mesa" and Mr. A. W. Robson Stayte Road who with Mrs. Robson vacationed in the Valley of the Sun near Mesa, had his birthday marked by the presentation of a birthday cake by the radio station.

### FROM PRINCE GEORGE

Mrs. Fred Enquist of Prince George, will be the guest of her sister and brother-in-law, Mr. and Mrs. Nestor Iowak, Semiahmoo Avenue, for the next month.

### HOMEWARD BOUND

Miss Ethel Mackay of Kelowna, who has been the guest of her brother-in-law and sister, Mr. and Mrs. A. P. Atkinson, Marine Drive, has left for her home in the Okanagan.

### WELCOME NEWS

A friendly note from Mrs. V. Louise Harvie, formerly of White Rock, but now residing in Lethbridge, Alberta, tells of her continuing interest in the local paper. "Having worked for the old Semiahmoo Sun under Mr. Starck, the late Mr. Kerfoot and Mr. Pinchin I still feel I have an active interest in the paper," Mrs. Harvie writes. "I like our new Sun and wish you all the best and I am sure you will have it." Mrs. Harvie, who hopes to return to this resort to live some day, is busy with her hobby, the cultivation of African violets. She has made five TV appearances, given four radio talks and eight public lectures on this fascinating indoor gardening activity in recent months but is "still learning all the time."

### LITTLE GEORGE

The Shoe Box will soon move to its new location at 1377 Johnston Road. REMOVAL SALE now on.

## Duo-pianist Concert Brilliant Performance

In spite of poor weather a large audience gathered Sunday afternoon in the High School Auditorium to hear a duo-pianist team, Melvin Stecher and Norman Horowitz.

With total lack of affectation, often so common in performers on the piano, the two young men gave a superb recital, one such as White Rock will not often hear and one for which the audience showed a most enthusiastic appreciation.

Starting with the showy Organ Fugue in G Minor of Bach-Mednikoff, the audience were carried all too swiftly, it seemed, through Brahms, Chopin, Milhaud, Webber, Infante, Paulenc and Liszt each work being typical of the style of the composer.

The Chopin Rondeau in C Major, Opus 75, carried all the dainty running, lilt of Chopin pianoforte music. The Spanish Infante's Sentimento was reminiscent of all the wild defiance of a Spanish Carmen with beating of a stormy heart. The crashes of sound and even the familiar Liszt Hungarian Rhapsody No. 2 left the audience in the midst of a swirling gypsy band.

Four well-known encores amongst them, The Bumble Bee

and The Donkey's Serenade concluded the performance.

From the beginning to the end of the concert the audience was fascinated by the sight of the flying hands, the sure action of sensitive fingers, the perfect one-ness of the performance carried on with the little uplift of an eyebrow, the barely perceptible nod of a head. It was a good concert.

A promised repeat performance for next year would most certainly be good box office for the Overture Concert management.

### White Rock OAPO Gets New Members

Thirty-three new names were added to the roll of the White Rock Old Age Pensioners organization at their last meeting held Feb. 4th. President A. Browne presided and 125 members were present.

A showing of pictures by courtesy of the B.C. Electric Co. was operated by Mr. Beach, and an auction sale, high lighted the meeting, where nothing was over 50c.

### Mrs. A. Shaw To Talk On Ceylon Trip

Mrs. A. Shaw, first president of White Rock Women's Institute, will be guest speaker at the group's monthly meeting on Monday, Feb. 17, at 2 p.m. at White Rock Lodge.

Mrs. Shaw will speak on her work as a delegate to the recent ACWW convention in Ceylon.

Mrs. F. S. Stewart, White Rock Institute representative on the district board, will entertain Mrs. Shaw during her visit here.

Members are reminded that "Pennies for Friendship" will be collected at this meeting.

### SEMI HIGH NOTES

On Friday of last week the Hi-Y girls presented their Skit Hit and some other entertaining acts to the school. The big hit of the afternoon was Donna Isherwood's version of Mr. Sanford's first public speech.

Due to lighting and other difficulties a number of girls had to leave class during the morn-

### LODGE GUEST

Mr. B. H. Bowles of West Vancouver, who has just returned from a year's stay in New Zealand, is at present a guest at White Rock Lodge. Mr. Bowles is a friend of the Rev. H. Berry, Washington Avenue.

### FIRST GRANDCHILD

News to gladden the heart of any grandmother was received by Mrs. Andrew Westland, of Boundary Road, this week. It told of the birth of her first grandchild, six pounds, five and one half ounce Nancy Louise. The baby is the daughter of Mr. and Mrs. Kyle Westland, 2321 Yale Road North, Seattle.

### Crescent P.O.A.

#### Protest Train Service

The Crescent Beach Property Owners' Association regular meeting was chaired by its president W. W. Hastings when they met in the old Legion Hall on Wednesday, Feb. 5.

Considerable discussion took place regarding the poor train service supplied Crescent by the G.N.R. A letter is to be sent the Surrey municipal council asking for the conditions under which a franchise was granted the railway to operate in the country and what action could be taken under the terms of the franchise.

The public works committee of the Association have drawn up their program and it is to be submitted to the council.

Harry Smith was appointed treasurer filling the position left vacant by the death of Laverne Adams.

Mr. and Mrs. Les Stone have returned from an enjoyable holiday spent in Arizona.

W. W. Hastings reports that Mrs. Hastings, White Rock Sun correspondent, is still in hospital but is showing some progress toward recovery. Everyone hopes she will soon be home again.

Mrs. Hugo entertained a group of friends of her youngest daughter Jill, on the occasion of Jill's eighth birthday on February 8th.

### HOSPITAL CALENDAR

Stayte Road Hospital group will meet at the home of Mrs. I. McGilvary, North Buft Rd. on Wednesday, Feb. 19, at 2.30.

The Crossroads Group of the White Rock Hospital Auxiliary met at the home of Mrs. Janet Ingram, King George Highway, for their regular monthly meeting on February 10.

Arcadia Hospital Group will hold their monthly meeting on Thursday, Feb. 20, at 2 p.m. at the home of Mrs. Margaret Macdonald, 15522 Victoria Ave.

Both have a bank account - and a purpose for saving

The difference between reaching a goal and missing it can be the savings you put by, now, in a bank account.

Such savings don't just happen. They involve some sacrifice, definite planning. But as your dollars mount up you feel a sense of accomplishment, of getting somewhere, that makes the effort more than worth while.

Your bank account provides ready cash that can help take care of any emergency that may arise, or open the way to bargains or other opportunities. Whatever objective you may have in mind, and whatever use your savings may ultimately serve, you'll always be glad you saved.

Save at a bank — millions do!

## Tom Bush Rink Wins C Event In Legion Bonspiel

The Tom Bush rink, representing the Army and Navy Veterans Club of White Rock, captured the C event of the Canadian Legion Bonspiel held last weekend at the curling club.

Personnel of the winning rink included: Tom Bush, skip; W. Tyack, third; Rick Harris, second; and Jimmy Gardner, lead.

The W. Norris rink of Mission Legion won the A event in the bonspiel and the W. E. Vanbuskirk rink of New Westminster Army and Navy took the B event.

Rink personnel of A event was Norris, skip; D. Leedham, third; R. Ellis, second; F. McBean, lead.

B event winners were Vabuskiak, skip; W. Kubik, third; Stoney Stonehouse, second; and Tim McCarthy, lead.

Runners-up in the C event were New Westminster Army

and Navy's Don Hayden, skip; Fred Gibson, lead; Art Elch, third; second; and Norm McDonald, lead.

D. Hayes, skip; T. Hepper, third; C. Blumb, second and P. Steing, lead, all of Haney Legion Branch 88, were runners-up in the A event.

**28 RINKS**

Unit 100 of the Army and Navy in Vancouver were runners-up in the B event. Rink personnel was: Albert Franklin, skip; Alfred Franklin, third; Frank Penonzer, second; and Gus Gollner, lead.

Some 28 rinks participated in this first Legion bonspiel at White Rock. Representatives from veterans clubs in White Rock, Haney, Mission, Cloverdale, New Westminster and Vancouver participated.

Cecil Ortnier president of the White Rock Curling Club, who was in charge of the bonspiel, said it was "very successful."

## Ted Hindmarsh Resigns

Ted Hindmarsh of Ocean Park has resigned as director for the Surrey Recreation Commission because of poor health.

A special meeting of the Commission was held Wednesday night at Cloverdale to decide upon a replacement for Mr. Hindmarsh.

The Recreation Commission appointed Hindmarsh as director in November, 1957, following lengthy negotiations with Surrey Council for a full-time man.

Mr. Hindmarsh has played a prominent role in boys' work both locally and provincially and has been supervisor of Ocean Park Boys' Club for a number of years. He was secretary of the Commission at the time of his appointment as director.

Wally Strang, chairman of the Commission, said Monday it was with "deep regret" that he received Mr. Hindmarsh's resignation.

"Although we are losing Ted as a director, he will continue to render his invaluable services as Commission secretary," Strang said.

WHITE ROCK SUN THURSDAY, FEB. 13, 1958

## SPORTS

### TOWN TOPICS

(By VIN COYNE)

Plans by White Rock and Surrey teachers to establish a \$10,000 action fund with which to make known their position in regard to wage settlement might well be considered a desperate final plea for public support. It is indeed unfortunate that the teachers are forced to each pay \$5.00 for five months from their own pockets to make the public aware of a predicament which has been allowed to reach dangerous proportions. A showdown, not only in this school district, but throughout the province, between teachers and school boards is inevitable.

Developments such as (1) A claim by the Vancouver Secondary School Teachers' Association that they do not have full bargaining rights with their employers and therefore do not enjoy full citizens' rights; (2) Vancouver Labor Council's endorsement of the teachers' demands; (3) Warning by Education Minister Les Peterson that legislation may soon prevent the B.C. Teachers' Federation from "blacklisting" school boards in this province; (4) Increase of six million dollars for education in Premier Bennett's recent budget; (5) Suggestion that the Federal Government contribute to the province's education system and (6) the general discontent of the entire teaching profession in B.C. surely warrants a complete study and re-adjusting of the entire wage scale on a province-wide basis.

There is no doubt that the teachers in this school district receive a salary which, compared to professions requiring the same amount of training is definitely inferior. One can hardly blame the teachers for being dissatisfied at the arbitration board's offer of a 7.9 per cent increase. To give the teachers their 11 per cent increase would bring them up to a salary standard worthy of their profession. To expect them to spend \$10,000 on telling the public what every citizen should already be well aware of would prove that the taxpayer is showing alarming apathy towards this country's system of education.

As nearly every parent today wants his child to be properly educated with the best system this province is capable of providing, it is up to every parent to take an active part in seeing that the teachers receive full bargaining rights. B.C. is crying out every year for more young people to enter the teaching profession. Is the present situation very inviting for any student considering such a move? The other day I saw an ad asking for support of the UBC Development Fund. It said "Will UBC be ready for your child?" A point worth considering right now is "Will your child be ready for UBC?" That question might be answered in part if White Rock and Surrey classrooms are staffed with some 400 satisfied teachers this September.

### Syd Gibbon President Of Peace Portal Club

Syd Gibbon has been re-elected president of Peace Portal Golf Club for 1958.

Other officers named at the annual general meeting recently were Bert Davey vice-president and Cliff Williams, team captain.

New committees will be appointed at the next directors meeting.

### Our Ladies' Rink Just Miss City W.W. Trophy

The Ellen Pepper rink of White Rock narrowly missed winning the trophy donated by this city's waterworks company Wednesday as the Lower Fraser Valley Ladies' Open Bonspiel came to a close at New Westminster.

The White Rock rink lost by one point to the Miller rink of the Pacific Curling Club in the final game of the D event.

Personnel of the local rink included: Mrs. Pepper, skip; Mrs. Bernice Weigand, third; Mrs. A. Embleton, second; and Mrs. Florence Sully, lead.

The Pepper rink lost their first three games to drop into the D division but won the next three straight to advance into the final of that even. The White Rock group were each given a copper bon-bon dish as runners-up.

The Miller rink also won the grand aggregate of the D event donated by the B.C. Electric at Abbotsford.

Some 33 rinks representing all points from the Lower Mainland competed in the annual bonspiel.

Other trophies donated were: A event, Royal City Foods; B event, Clova Inn Hotel; C event Mission City Council.

The White Rock rink reported a very enjoyable time at New Westminster with a smorgasbord lunch being served on Wednesday.

## Local Blind People Show Skill at Idle Hour

Last Monday afternoon, the local blind people met at the bowling alley for their first bowling match. Mr. Guest and Mr. Grant of the C.N.I.B. from Vancouver brought the guide rail and with the help of Mrs. Maxfield, the game was on.

The following scores are for two games, and when you consider that these people have to be told what pins are standing, the results are wonderful. Mrs. Peck 99, Mr. Marshall 98, Mrs. Green 41, Mr. Lock 21, Mr. Grant (C.N.I.B.) 81, Mr. Murray 67, Mrs. Shuppe 148, Mrs. Collard, 1 game 34.

The Undertakers of the Mud Bay League took top spot with 2797 pins Monday evening, with Vern Sampson taking high three with a total score of 604. Battie Hille of the Remingtons took high three for the ladies with 509 pins. Gladys Lacey took high single with a 217 in her third game. Ed Poier was in there also in the third game and came out with men's high single with a 242.

In the S.O.S. League the Hot Shots again walked off with top honors when they piled up 2715 pins. R. Kavanagh took both high single and three when he rolled a 256 in his third game and totalled a 667. Irene Jones also pulled the double trick with a 253 in her third and a total of 499 pins.

In the Men's Commercial the Army and Navy team rolled a lovely three game total of 3047 for top honors. McAdams gave them a run for their money when they came up with 3027. High single and three went to Charlie McLaren of the Army and Navy with three lines of 225, 319 and 221 for a total of 775 pins. Other 700 games rolled were Stevenson of the A & N with a 701. Bill McColl of McAdams' with 723 and Doug Bodley of Heard Motors with 709, and Gerry Douglas of Im-

migration who rolled 721.

Eager Eagles shot down the Wild Ducks by rolling 3016 for top spot despite Jean Douglas rolling a beautiful 719 for the Wild Ducks. Jean rolled 242, 269 and 208 to give her ladies' high single and three, and also the honor of being the first lady to roll a 700 this week.

Men's high single went to Saul Hack of the Strike Outs with 278 and high three to Bill Meek also the Strike Outs with 680 pins.

In the Teen Age League on Thursday evening Gary Chases Wild Strikes walked off with top spot on a total of 2627.

In Friday's Horse Shoe League, the Alley Cats rolled a two game total of 1453 taking top spot. Gail Maxfield of the Alley Cats rolled girls' high single with a 161 and Linda Jones high two with 233. Mustang's Jim Tingle rolled boys' high single and two when he rolled 230 for his single and a two game total of 342.

In the 10 Pin League we had a battle royal with Sunnyside Home Service getting the best of the Bombers by 10 pins for top spot. Sunnyside 2317 to Bombers 2307. In individual scores, Pick Ups Dot Weir scored both high single and three when she pounded the pins for 173 pins and a three line total of 418. Dot had to move for high single when Doris Cameron of the Mow Downs took after her for high single and rolled a 171.

Bomber's Bob Bradbury just missed the 500 mark when he ran up a score of 134, 179 and 177 for 490 pins.

Bob McArthur of the Pick Ups missed taking the high single from Bradbury when he rolled 177 in his third game. Eighteen players turned out for the Old Age Pensioners afternoon of fun and frolic at the alleys Saturday. Ladies' high single went to Mrs. Reynolds with a 164 while Mrs. Chester took top two with 250 pins. Jack McKinley rolled a terrific high single for the men when he blasted out a 291. However, Mr. Morrison with his steady rolling turned in two lines of 512.

—Stew Maxfield.

### Swimming Assoc. To Meet February 25

White Rock Amateur Swimming Association will meet on Tuesday, Feb. 25, at the home of Mrs. Ruth Johnson, Cliff Avenue.

The Association reported at their last meeting they are completely free of debt.

The Club's float will be anchored two weeks earlier this year to allow for repairs to be made. The float is usually established by July 1.

Broadcast over the CBC Trans-Canada network each week, "The Boon Companions" brings a half hour show of pop music by a five-piece instrumental group under Harry Boon, with songs by Kip Wallis, a former star of radio, British television and night clubs. Left to right, Gordon Schmitt (vibes), Jim Newby (drums) Harry Boon (piano) Howard Guloien (sax) Ian McCulloch (bass) at rehearsal.

## Fifteen White Rock Bowlers Chosen For F.V. Tournament

Fifteen top bowlers from the Idle Hour Alley will represent White Rock and district in the Fraser Valley Five-Pin Championship Tournament March 15-16 at New Westminster and Maillardville.

Eight men and seven women from the local alley will compete against representatives from points throughout the Valley.

Here are the chosen players and their season's averages: Bill Meek, 240; Dave Bodley 219, Gerry Douglas 226; Bill McColl 198, Bob Sampson 201, Bob McNally 251; Dave Dugan 182; Dot Weir 195, Jean Douglas 161, Ilene Johnston 166, Doris Cameron 161, Betty Harold 167, Helen Maxfield 219 and Vi McClaren 182.

## Track Club To Start Spring Workouts Soon

White Rock Track Club will start workouts next week in preparation for the coming season, Marion Plunkett, manager of the club announced Monday.

Dr. R. J. A. Hogg of White Rock and Dr. H. K. Kennedy, director of Boundary Health Unit, have consented to assist the club in giving medical examinations to the athletes, she said.

Any athlete competing in track and field events is required to hold a medical certificate from the B.C. Branch of the AAU in Canada, the team manager said.

Draw on the raffle being sponsored by the Club will be held Saturday, March 15 at 3 p.m. at the Overwaitea, Hilltop. Prizes will be on display in the store window as of March 6.

### GIFTS

Gifts donated by merchants for the raffle include a \$20 food hamper, a suitcase, pair of boudoir lamps, a blanket, wall bullet lamp, a fruit cake, a long-play record, set of glasses and holder, a box of chocolates and a hobby model.

### Whalley Edges Newton In Cup Tie Play

The Lower Fraser Valley cup tie play has truly been a tournament for the "underdogs" of both the junior and senior soccer leagues.

Fleetwood, who placed third in the four-team 15-17 division in league play, were the surprise package on February 2, defeating first-place Newton to win the cup.

Whalley scored in the same feat Saturday by shutting out first-place Newton 1-0 in the 10-12 cup tie final at Semiahmoo Park.

Whalley scored the one goal of the game on a direct penalty kick late in the first half. The winning team placed third in league play this year.

The game was evenly matched throughout and referee Doug Ramsden of White Rock handled the contest most efficiently.

This brings to a close the Lower Fraser Valley soccer play for this season. A banquet will be held early in March.

# Protection

## ...at your fingertips

The fireman's hat is a symbol of protection. So is your fire insurance policy.

When fire strikes, alert firemen are soon on their way, accepting risks themselves to protect your life and property. And when fire strikes, fire insurance steps in to offset disastrous financial loss.

Every week, some 1,400 fires break out across Canada. Companies writing fire insurance pay out more than one hundred million dollars annually in claims. And yet virtually all the fires which take the lives of more than 500 Canadians each year are preventable.

Fire insurance safeguards your property. But only you can guarantee against loss of life. Safety pays dividends... saves lives, helps to lower your insurance costs. Be Careful.

ALL CANADA INSURANCE FEDERATION

on behalf of more than 200 competing companies writing Fire, Automobile and Casualty Insurance.

Vancouver actor Doug Haskins plays the part of Don Grey, detective, in the Vancouver production of "Marine Investigator" heard weekly over the Trans-Canada network of the CBC. His tales of adventure originate on the Vancouver waterfront but often take him on long, exciting voyages before they are finally solved.

## COUNCIL BREVITIES

Council will seek further information on a request by the White Rock Yacht Club for establishment of a boat launching and landing float from the beach at the foot of High St. The Club will also seek aid from the Provincial Recreation Department.

A civil defence officer will be sought for White Rock by City Council. Council will contact several citizens that have been recommended for the position and also the veterans organizations here for their suggestions.

A 20 mile per hour speed limit will be enforced in White Rock throughout the year between Oxford and Foster on Washington Avenue. The 20 mph zone was originally from Oxford to Martin but the council felt the upper business block should also be included in the bylaw.

White Rock's membership to the Lower Mainland Regional Planning Board will be \$163 this year. The Board decided at their recent annual meeting that \$22,800 of the '58 budget would have to be raised in member municipalities. The area's shares are set on a per capita basis. Council also approved an additional \$88 which will go toward a survey of future industrial sites in member municipalities.

## Cloverdale Lutherans To Build Parish Hall

An architect will be engaged by the Cloverdale Lutheran Church to plan the proposed parish hall and educational unit on the recently purchased nine and one half acre site on the Old McEllan Road.

This was decided at the annual meeting of the Church when the following officers were elected:

Peter Balback, who served as secretary of the congregation for the past six years, was elected to a three year term as elder. Eugene Renner was elected to a three year term as trustee. Chas. Schultz was elected chairman for one year; Ron Reynolds is the new secretary for a one year term, and Edward Enders was re-elected treasurer for one year.

The two envelope secretaries are Bruno Balback and Alfred Leippl. Martin Renner heads the staff of ushers.

The treasurer's report showed receipts totalling \$14,692 in offerings, which is an approximate 50% increase over 1956. Of this amount \$2,575 was used to support the world-wide mission and education program of the Lutheran Church, Missouri Synod, sponsors of "This Is The Life" television favorite.

## PANORAMA RIDGE AND COLEBROOK

The regular monthly meeting of the V.O.N. Auxiliary was held on February 8th at the home of Mrs. J. Fletcher. Co-hostesses were Miss Amy Barker, Mrs. J. Dingwall and Mrs. A. E. Owen. At the close of the business meeting Mrs. Fletcher showed pictures of her recent trip to Europe.

Mr. and Mrs. R. Rowe were at home on Friday evening, Jan. 24, to neighbors and old-timers of Westernman road, in honor of Mr. and Mrs. McFadden who have sold their home and are moving to Vancouver. Presentations were made to the guests of honor from their neighbors and friends, and from the Women's Auxiliary of Colebrook United Church, of which Mrs. McFadden was a member.

The Women's Association of Colebrook United Church met at the home of Mrs. F. Dietrich with twenty-eight members and friends present. Annual reports were read, and showed a very successful year, both socially and financially. Plans

were made for the coming year, and include a St. Patrick's dinner, to be held in the church hall.

Born to Mr. and Mrs. Don Riske, in Hawaii on January 28 a girl, Mrs. Riske is the former Willie Miller, daughter of Mrs. B. Miller, on Sandell Road.

Newly-elected officers of stewards and session of Colebrook United Church were installed recently by Rev. Ian McEwen. Elected to the session were J. Wilson, Wm. Scott, H. Moodie, (Hon.) R. Griffiths, R. J. Thompson, Mrs. M. Jenkinson and Mrs. J. Elder. To the board of stewards, D. McCain, W. Breeze, R. Guest, R. Griffiths, J. Elder, R. Clark, Adam Scott, A. Nursey R. Douglas, Mrs. J. Elder Jr. and Mrs. J. Perry.

## Second W. R. Troop Promotes 14 Cubs

Fourteen boys of the second White Rock Troop were promoted from Cubs to Scouts at a recent ceremony at which District Commissioner Max Green officiated. Some 30 parents were in attendance.

Those promoted included Gordon Mitchell, Stephen McLean, Richard Warren, Colin Pilgrim, Malcolm McArthur, Hughie and Andy Stevenson.

Gary Robertson, Brian Olson, Brian Petty, Larry Wilson, Robert Lowrie, Ken Guthrie, Norman Hill and Alan Hunter.

Brian Petty was awarded the second star in Cubes.

Three boys invested were Malcolm McArthur, Ian Roberts and Wayne Clifford.

Other awards included Frank Wood, patrol leaders badge; Dick Stang, second class in Scouting, and Bruce Westgate, first star in Scouting.

Through our nationwide connections, we have the facilities for handling a funeral from any point in America. We offer our services with pride knowing that we can relieve the family of all burdens incident to any death away from home.

## In the Garden

By G. E. Sery.

The question is often asked: "When is the proper time to prune fruit trees?" The majority of pruning is done during the dormant season, or that period between the time the old leaves fall and the buds burst in the spring.

A good time to prune is between December 15 and March 15, whenever the weather is favorable. Pruning may be carried on later in the spring without any real damage to the tree, but if the tree is older and quite dense, necessitating removal of medium or large branches, a lot of fruit buds may be knocked off in the process.

Young trees received from the nursery are rarely pruned by the nurseryman, except to cut off any broken branches or roots. If you planted young apple or pear trees last fall, or intend to plant next spring, they should be treated as follows: Strong, well-grown, one-year-old whips which have attained a height of from 42 to 48 inches should require no heading back of the terminal height. Trees taller than 48 inches should be headed back to a strong bud at about that height. Trees shorter than 48 inches naturally would not be headed back.

If you are planting a two or three-year-old well-branched tree, it will be necessary to select the best placed centre branch for a leader and then, if possible, select three to five well-placed branches to form the scaffold limbs of the tree. Any side branches which are too close to the ground should be removed.

It is not likely that you will be able to select all the main scaffold limbs the first year. It may take a period of two to three years but it's advisable to head back the new growth to some extent, so as to give balance. Until the tree reaches six to eight years of age your pruning practices should be aimed at developing a good strongly constructed tree capable of carrying heavy crops of fruit when it comes to bearing. The type of tree most preferred is usually described as a semi-pyramidal, or semi-central leader tree.

After the tree reaches the age of six to eight years and has come into bearing, pruning should be confined to a thinning out process rather than a cutting back of the new growth.

Normally it takes a bud three years to develop into fruiting condition. On one-year-old wood the buds are what are known as the leaf buds, which should blossom and produce fruit the third year. Heavy cutting back of the new growth each year encourages more new growth, but retards fruit bud development and consequently retards fruit production.

There are many old trees in this district which go on from year to year without much attention. This is due primarily to a reticence on the part of the owner, or occupier, of the premises to tackle the pruning job. In most cases these older

trees have developed a surplus of branches which must be removed, in order to allow a greater penetration of sunlight and provide for better air circulation throughout the tree. It is not easy to observe that the fruits which develop on the perimeter of the tree are always the best color and size, while those fruits which develop in the shady parts of the tree not only lack color but size as well.

Some old trees, particularly pears, have reached such a height that it is next to impossible to harvest the fruit economically, since most of the best fruit is produced on these top branches. Very tall trees should be reduced in height and in performing this operation an endeavor should always be made to cut to a horizontal or side branch rather than to give the tree an indiscriminate "dehorning." It is always good policy to prune lightly and spread the job over a two or three-

year period.

If one understands the basic principles of tree growth and fruit bud development, pruning becomes largely a matter of good judgment in deciding which branches to remove and which to leave. There is no reason why any individual should not undertake the pruning of his own trees, if time permits.

While the foregoing remarks have referred to apples and pears, young plum and cherry trees, should be handled in much the same way up to an age of six to eight years. As plums and cherries come into

bearing it will be observed that the fruit spurs do not persist as long as on apples and pears, and it is necessary by pruning to encourage a good development of new wood and remove some of the older and weaker branches.

Peaches and apricots are usually grown on a south or southwest wall for best results. These will thrive if grown in the open as a standard tree, but a spring frost may prevent the setting of a crop. Trees grown on a south wall will usually escape frost damage.

## New Bridge Constructed Across Campbell River

A new bridge wide enough for cars to cross is now being constructed across Campbell River to Semiahmoo Indian Reserve by Army engineers from the Sardin camp.

Construction of the new bridge started recently following a resolution in December, 1957, by the Semiahmoo Indian Band to spend up to \$5,000 to replace the existing foot bridge. Immediate repairs to the

bridge were carried out by the Indian commissioner following this resolution.

The repaired foot bridge had to be demolished before start of the permanent structure could get underway.

The original bridge connecting the Reserve and White Rock is believed to have been constructed more than 35 years ago.

### NEW UNITED CHURCH

(Continued from Page 1)

with viewing window looking into the main body of the church and public address system for those mothers who find their small children disturbing the congregation.

### SOUTH WING

A spacious entry hall and choir robing rooms for both the senior and junior choir complete this portion of the building.

A south wing houses the ladies' lounge and minister's study both of which are large and well appointed. Also in the south wing is the main stairway leading to the basement which underlies the whole building. Included in this are five Sunday School rooms as well as a hall with stage, the furnace room and a complete kitchen.

While there remains a few sub-contracts not completed the estimated price of \$80,000 will be bettered or adhered to very closely. Besides the volunteer labor involved a fair number of donations for special projects such as pulpit, windows and screens have been received.

### SUNDAY

Very appropriately the first use of the new church will be the regular Sunday School in

the church basement area at 9:30 a.m. on Sunday, Feb. 16. This will be followed at 11 a.m. by the regular church service of thanksgiving and worship. The special service of dedication will be held at 3 p.m. of the same day and will also be a public service.

Dr. Peter Kelly, president of the British Columbia Conference of the United Church of Canada will officiate as well as giving the sermon at the earlier service. Tea will be served immediately after the dedication ceremonies at a meeting in the basement at which time civic dignitaries and visitors will be invited to speak.

### SPECIAL SERVICE

Special church services, including a family service at 11 a.m. on February 23 and guest speakers at the regular services on March 2 and 9 will conclude the opening exercise. On March 2 the guest speaker will be the Rev. Peter Connell and on March 9 Rev. Frank Hardy, both former ministers of this church.

The congregation of the First United Church of White Rock has issued an invitation to anyone so inclined to worship with them at any or all of these services.
